Clinical Psychology SERVICES P.C.

About Our Doctors:

All of our doctors are Licensed Clinical Psychologists with varied backgrounds. Each provider is a general practitioner treating such common diagnoses as anxiety and depression. However, most doctors also have specific areas of interest and expertise.

Victor Elion, Ph.D.

Dr. Elion has extensive experience working with children, adolescents, couples and individual adults. He does counseling for school and behavioral problems, anxiety, depression, poor motivation, self-esteem and issues related to separation and divorce. As a forensic psychologist, Dr. Elion offers evaluations for custody determination and alleged abuse/neglect, competency evaluations, Fitness for Duty Evaluations and Law Enforcement Agency Consultations. He also treats issues such as chronic illness, phobias, compulsive disorders, pain control and neuropsychological testing.
